

Michigan Farmers Market Listserv Rules and Etiquette

The Michigan Farmers Market Listserv (FARMMKTMI) is an open forum for the Michigan Farmers Market Association (MIFMA) members and other individuals in the farmers market community. The forum acts as a space to freely share knowledge and questions about farmers market management, promotion and other topics of concern specific to farmers market managers and vendors. Postings may include questions and discussion items, MIFMA announcements, market manager position vacancies, professional development opportunities, and items that can be considered "public service" in nature. **The listserv is not moderated, and messages are not approved before posting.** Please be professional and considerate of MIFMA's audience.

MIFMA works with and for farmers market organizers, managers, farmers, vendors and friends to create a thriving marketplace for local food and farm products.

By joining and using this e-mail list, you agree that you have read and will comply with the following rules and etiquette.

Listserv Etiquette:

- The subject line of your post to the listserv should reflect the content of your message. Please include locations of events in the subject line.
- Include a signature tag on all messages with your name, affiliation, city and e-mail address.
- Reply messages will automatically go only to the original sender unless you 'Reply to All' or add FARMMKTMI@list.msu.edu. Send messages such as "thanks" or "me, too" to individuals – not to the entire list.
- Include only the relevant portions of the original message in your reply. Delete any header information, and put your response before the original posting.
- Do not post large attachments to the listserv group. If possible, paste the relevant text in the body of the e-mail, link to a website or file online, or make people aware of how they could acquire the document if they are interested.
- When generating a reply to a personal response, do not forward the personal response to the list without first obtaining permission from the sender.
- Please refrain from posting promotional flyers, newsletters or announcements pertaining to an individual market or local event solely as a "show and tell".
- If you use automatic e-mail reply messages, please unsubscribe from the list while you are away and re-subscribe when you return.
- Do not post commercial messages on the listserv. Contact people directly with product and service information if you believe it would help them.
- Send a message to the entire list only when it contains information from which everyone can benefit.

How to Change Your Settings or Unsubscribe:

Policy on Violation of Listserv Rules

MIFMA reserves the right to suspend or terminate membership on any list for subscribers who violate the listserv rules. When violations of the listserv rules are brought to the attention of the MIFMA staff, the staff will send an e-mail to the member in violation reminding him or her of the listserv rules and warning that future violation will lead to suspension from the listserv. Violators who have been removed from the listserv may appeal in writing to MIFMA to be reinstated. Appeals must be made within 30 days before the next regularly scheduled meeting of the Committee. The Committee will consider the appeal and make a recommendation regarding reinstatement to the listserv. Decisions of the Committee will be final.
