Information for Farmers Market  
and Farm Stand Shoppers for the  
2020-2021 School Year

## What is P-EBT?

P-EBT is part of the federal response to food insecurity during the COVID-19 pandemic. Benefits are distributed to students who typically receive free or reduced lunches at school. Benefits are distributed either to families through their SNAP Bridge Card or through individual P-EBT Cards. Benefit levels are determined by the number of days students learned in a remote setting versus in person between now and September 2020.

## Can I use P-EBT at the farmers market?

Yes, cards can be used at any farmers market or farm stand that accepts SNAP Bridge Cards.

## What can I buy with my P-EBT card?

You can purchase any SNAP-eligible food items.

## How do I use my P-EBT card at the farmers market?

The farmers market will have a "market office" or tent for you to ask questions at. Most markets use a scrip or token system for you to make purchases with the market vendors.

## Can I use P-EBT for Double Up Food Bucks?

Yes, if you use your P-EBT card at a participating Double Up Food Buck site it is eligible for matching incentives.

## My P-EBT card has my child's name on it. Do they have to be the one to use the card?

Anyone in your household is able to use the card.

## I already have a SNAP Bridge Card. Will I get a separate card for P-EBT?

No. P-EBT funds will be added to your existing SNAP Bridge card.

## What if I have a P-EBT card from the 2019-2020 school year?

New cards were issued for the 2020-2021 school year. If your P-EBT card from the 2019-2020 school year has any remaining funding left, they can still be used.

## What if I have additional questions? What if I don't know my PIN?

You should call the EBT customer service directly at 888-678-8914.
