

EMERGENCY AND COMMUNITY SERVICES

According to the 9-1-1 Association, “Nine-one-one (9-1-1) is only to be used in emergency situations. An emergency is any situation that requires immediate assistance from the police/sheriff, the fire department or an ambulance.” **If you are ever in doubt of whether a situation is an emergency you should call 9-1-1.** It’s better to be safe and let the 9-1-1 call taker determine if you need emergency assistance.
